

AMAZING WORKS HERE

March 29, 2022

Shanlin Liu

Thank you for your work on building DeepRec CI platform which freeing everyone from tedious testing work and improving the work efficiency of the team.

This award honors the impact you have demonstrated through:

Quality

- We are disciplined to deliver products and services that our customers and partners can always rely on.
- We set and achieve high quality and security standards.
- We cultivate talent to do the right things right.

Sincerely,
Duyi Wang
